Provincial Diary

The Lodge is most anxious to keep in touch with Brethren who are ill or have met with adversity. It is difficult for the Secretary or Almoner to take any action unless information is received from the Brethren themselves, or their relatives. Please help us to help them.

Visiting Overseas Lodges—Brethren should not make any contact with any Overseas Lodges without first obtaining clearance from the United Grand Lodge of England via their Lodge Secretary

It is the responsibility of the members to inform the Secretary directly of any change to his home or e-mail address, telephone contact details, or any change in Masonic rank from other Provinces
